

WHO

- ▶ Division Superintendents, Instructional Leaders, Technology Leaders, and non-instructional leaders such as HR, Finance, Communications, etc.

WHAT

- ▶ Four all-day in-person training sessions where division teams train side-by-side in "hubs" with Advanced Learning Partnerships' team of AI experts, PLUS virtual support between meetings as needed.

WHEN

- ▶ Sessions start as early as August 2024 and end by March 2025.

WHERE

- ▶ Locations will be specific to each assigned hub. Efforts will be made to limit travel as much as possible.

WHY

- ▶ School Divisions who complete the Virginia Gen AI Year of Learning will, by completion, have a division-specific AI implementation plan, including frameworks and guidelines. They will also have access to the AI Field Kit and Digital Platform.
